IV. Application Requirements

1. Age: 18-28, good physical and mental health, non-Chinese citizens holding a valid foreign passport, senior high school graduates or above, abide by the laws and regulations of the People's Republic of China, have a certain economic basis.
2. Academic Performance. In accordance with *Admission Measures for International Students Coming to study in China of SDSMU*, applicants will be selected based on the high school score, interview result and entrance exam. Applicants who have achieved HSK Level 3 or above in the National Chinese Proficiency Test are preferentially admitted.
3. Financial guarantee. Applicants are required to submit a Letter of Financial Guarantee for International Students of Shandong Second Medical University and the guarantor must provide proof of bank deposits sufficient to cover tuition fees, accommodation and living expenses for study in China.

V. Application Time

May 16, 2026 to July 31, 2026. If the university has already enrolled enough students before the deadline of admission, the admission work will be finished earlier.

VI. Application Method

Applicants (include Individuals and recruitment agents) should log in online application system "Shandong Second Medical University Management System for International Students" (called as "the system") to apply.(Application materials may also be submitted via a dedicated email address.)

VII. Application Procedures

1. **Online registration.** Applicants log in the application system to fill in the relevant contents and upload the required documents.
2. **Enrollment information review.** The university will do the initial review and give feedback within 7 working days after the applicants submit all the required documents successfully.
3. **Remote video interview.** Applicants who have already passed the initial review, should attend the remote video interview. The eligible will get the electronic admission letter within 5 days.
4. **Deposit.** Within 7 days after receiving the electronic admission letter, admitted students shall pay 4,500RMB to Shandong Second Medical University as an “admission deposit” and upload the scanned copy of the deposit remittance to the system. The remittance should be marked with name, passport no, etc. If the admitted applicant comes to the university for registration, the “admission deposit” already paid will be transferred to a part of his/her tuition fee, and the applicant should pay the rest of tuition fee. If they fail to register on time, the “admission deposit” will not be refunded.
5. **Admission letter and other materials.** After receiving the admission deposit, the university will send an "Admission Letter" and "Confirmation Form for Study in China" (JW202 form) to the admitted applicant who should take them to the embassy or consulates of the People's Republic of China for the X1 Visa to study in China. The admission time is by **September 20, 2026**. The specific date is based on the "Admission Letter". Admitted students must go to school for registration before the specified date in the letter. For those who have not registered in time, the opportunities of entrance will be canceled.
6. **Enrollment.** The admitted applicants will bring the “Admission Letter”, “Foreign Physical Examination Form”, JW202 Form, and the highest academic certificate, transcripts, non-criminal record certificate etc., to the university for registration on the specified time. Students should purchase comprehensive insurance before entry. Before registration, students should take the admission entrance examination including written examinations and interviews held by the university, which mainly tests students' basic knowledge and language skills.

VIII. Materials Required for Application

1. Shandong Second Medical University Admission Application Form for International Students;
2. Copies of “Vaccination Certificate”, Mental Health Self-Assessment Scale Form” and “Foreigner Physical Examination Form” (the original copies will be kept by themselves for school checking). Applicants should strictly do physical check-up according to the items required in the “Foreigner Physical Examination Form”. It will be invalid if there are some required physical examination items that haven’t been done, no examinee’s photo, no connective seal on the photo, no signature and seal of physician and hospital. As the result of the examination is valid for 6 months, the applicants should arrange their physical examination time properly.
3. No criminal record certificate;
4. Notarized high school education certificates. (Certificates in other languages other than Chinese or English must be accompanied by notarized translation versions in Chinese or English. New graduates must submit a pre-graduation certificate);

5. Study transcripts. Transcripts for all courses in senior high school (except for Chinese and English transcripts, the transcripts in other languages must be accompanied by notarized translation versions in Chinese or English); Applicants who have got achievements of the high school graduation examination or the university entrance examination held by their country or region, please fill in the relative contents and upload the scanned original copies in the system. If no such achievements during the application period, the applicant should submit the high school transcripts in the system.
6. English or Chinese proficiency certificate. (e.g., HSK-4 or above, TOEFL 80 points or above, IELTS 5.5 or above, GRE achievement certificate);
7. A copy of a valid ordinary passport.
8. Financial proof. Letter of Financial Guarantee for International Students of Shandong Second Medical University, proof of bank deposit of the sponsor, proof of employment of the sponsor and a copy of the passport.
9. Personal statement. Applicants must submit their own self-introduction, learning experience and study purpose in Chinese or English. (Not less than 800 words);
10. Others. Documents that demonstrate research ability and general quality, such as award certificates, published papers can be upload to the system.

(Note: the scanned materials above must be clear and complete, and will not be returned whether the applicants are admitted or not; if the materials are incomplete, they will not be accepted; applicants who submit fake materials will be canceled enrollment qualifications.)

IX. Fees (RMB)

1. **Tuition:** The tuition fee is approximately 20,000 RMB per academic year, and the actual fee shall be determined in accordance with the Rules for the Implementation of the Credit System for International Students of SDSMU.
2. **Accommodation:** twin room, 5000 RMB / academic year / person; separate toilet, air conditioning, electric water heater, beds, wardrobes, tables and chairs, etc. are equipped. There are vegetarian/non-vegetarian communal kitchens, refrigerators, and washing machines on each floor.
3. **Others:** physical examination fee, residence permit fee, teaching material fee, insurance fee, etc. are paid according to the actual situation in registration; bedding is purchased voluntarily.

X. Scholarships

The university has Shandong Provincial Government International Students Scholarship and university-level scholarships for international student. Scholarships are awarded based on the international students' academic performance, interviews, entrance examinations, etc. under the principle of fairness and impartiality.
